

At Boo's we like to share . . . that way everyone gets to try a little bit of everything. The snacks are just as they sound: something to nibble on with a cocktail or to kick off your dining. We recommend two plates per person, with a side to share if you're particularly hungry. Our staff are more than happy to help you decide on just the right amount of food for your group and hunger levels, so please ask.

← SNACKS →
